

PARTNER PROGRAM

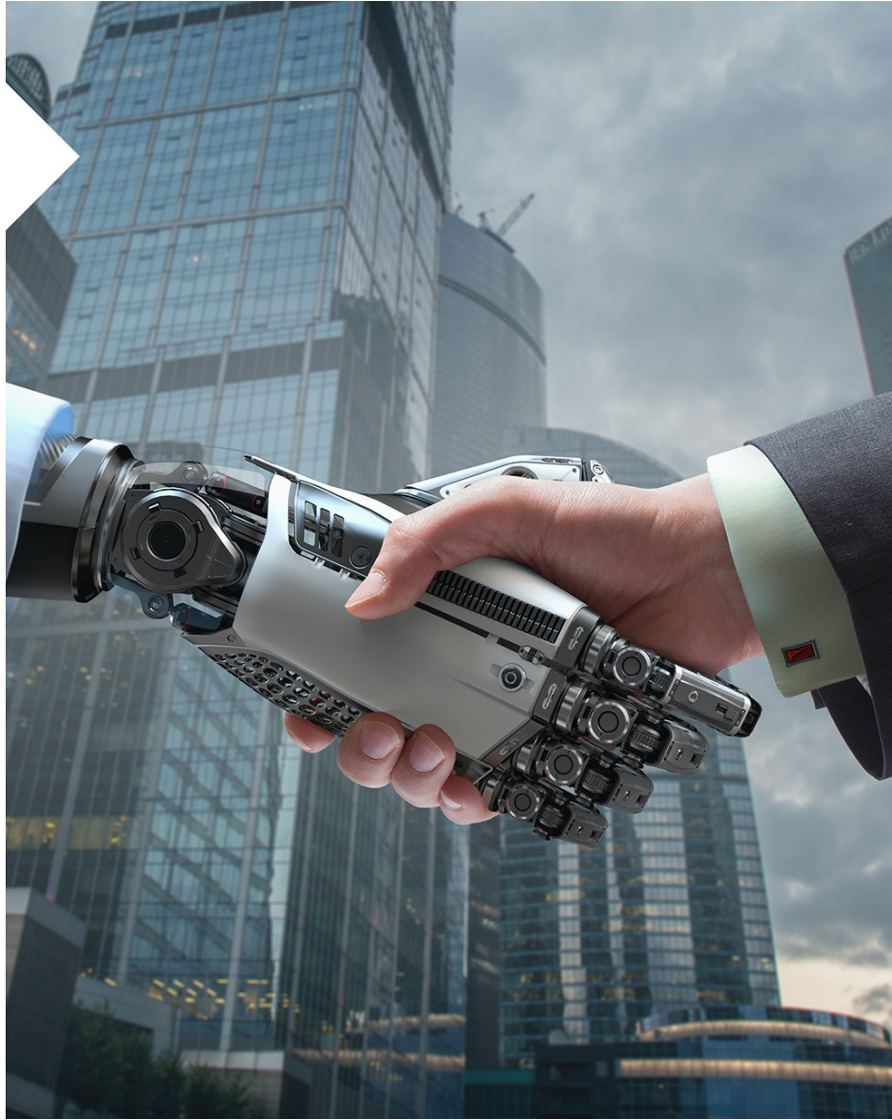

COLLAB HUB

EMPOWERED BY INNOVATION

DEAR TECHNOLOGIST

We recognize your importance in the Technology domain and respect your knowledge and expertise in your area of business focus. This Partner Program has been designed to meet the needs of the industry that deserves the best in every area.

As a technology company that believes in creating value for its customers and partners, we believe in the power of value creation through collaboration and convergence. This approach also paves the way for a harmonious co-existence among various technology players that breeds innovation-led transformational solutions.

A message from our
Managing Director

SARITHA SHETTY

We simply believe in the idea of strategic collaborations and respect our partners for what they specialize in. Since our inception, we have always endeavored and succeeded in delivering value to our customers through solutions that brings in expertise at every level. Today, we are well respected technology consulting and development company because of the cutting-edge solutions that we have been able to deliver to our customers and this amazing journey owes a lot to the wonderful partner ecosystem that we are still creating.

WHY PARTNER WITH SUN PLUS SOFTWARE TECHNOLOGIES?

The Collab Hub Partner Program offers partners many exciting advantages and opportunities that can help you to develop your business, expand your market share increase profitability and strengthen staff experience. In today's evolving technology landscape, it has become imperative for the technology players to showcase solutions that can transform businesses.

Those who demand technological solutions are not going to be content with anything that is the proverbial 'second-best'. However, achieving niche in every possible area of the demand curve may not be a realistic scenario as stitching together a solution for business transformation requires expertise in multiple areas. This is where a collaboration-driven approach seals the deal, wherein, the solution providers can team up to deliver the desired value to the customers and in turn the customer benefits from the best of the breed solutions.

We invite you to join this Partner Program that has the sole motto of delivering optimal value to the customer and in the process creates opportunity for everyone in the business ecosystem!

THE PROGRAM ENABLES YOU TO ACHIEVE:

Find the right audience for your expertise

Find a stream to take your niche to the end user
